Before

- D-14 : **Padlet** : participants introduce themselves
- D-7 : **On-line meeting** to specify stay details and Q&A session

During

- **Collaborative workshop** : participant introductions and presentation of their educational context (prepared before the stay)
- **Modules** focused on specific topics, led by experts
- **Opportunity to visit a French school** and observe how 'theoretical' elements are applied in practice (optional)
- **Feedback** using collaborative techniques such as Speed Resolutions

After

- Two on-line month webinars** on the session's topics to explore the knowledge, techniques and ideas acquired are implemented in different headmasters' contexts. Objectives :
- Identify remaining challenges and address them during the webinars
 - Share how the acquired knowledge, techniques, and ideas are being applied in the participants' schools

A learning space will be included in the annual training program. Headteachers will be the main participants in our co-participatory scenario, forging connections with headteachers from around the world, while continuously interacting and exchanging best practices.
